Guarantee and clauses

This document describes the services available on telephones Alcatel 4038-4039-4068 connected to an Alcatel OmniPCX Office or Alcatel OmniPCX Enterprise system. For more information, please consult the User Guide for your 4038-4068 (IP set) or 4039 (digital set). Contact your installer. Warning: never place your telephone in contact with water. To clean your telephone, you may however use a damp soft cloth. Never use solvents (trichlorethylene, acetone, etc.) which may damage the plastic parts of your telephone. Never spray it with cleaning products. Earpiece may retain magnetic objects.

The wording is not contractual and may be subject to change. Some functions of your telephone are controlled by a software key and the configuration of the unit.

EC: We, Alcatel Business Systems, hereby declare that we assume the Alcatel 4038, 4039 or 4068 product to be compliant with the essential requirements of Directive 1999/5/CE of the European Parliament and Council. A copy of the original of this declaration of compliance can be obtained from your installer.

Alcatel 4068

This apparatus makes use of a frequency spectrum, which use is not harmonized throughout the countries of the EC. The frequency spectrum may be shared with other applications and its operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The device is designed and manufactured not to exceed the emission limits for exposure to radio frequency energy in SAR (Specific Absorption Rate) set by the concerned countries (Federal Communications Commission for the United-States).

Alcatel Business Systems, in keeping with its policy of constant product improvement for the customer, reserves the right to modify product specifications without prior notice. Copyright © Alcatel Business Systems. 2004. All rights reserved.
